ABOUT US

Al Itqan Medical Equipment is a trusted medical equipment and healthcare solutions provider in the United Arab Emirates, with over 25 years of experience serving government hospitals, private hospitals, clinics, and healthcare institutions across the country.

Built on a foundation of reliability, integrity, and excellence, Al Itqan Medical Equipment is committed to delivering high-quality medical products that meet international standards and support the evolving needs of the healthcare sector. We work closely with reputable global manufacturers to ensure that our clients receive innovative, safe, and effective medical solutions.

Our portfolio covers a wide range of medical equipment, consumables, and healthcare supplies across multiple specialties. From sourcing and distribution to after-sales support, we take pride in offering end-to-end solutions that add real value to our partners and customers.

At Al Itqan Medical Equipment, we believe that strong partnerships are key to success. Our experienced team works collaboratively with healthcare professionals, procurement teams, and suppliers to provide tailored solutions, competitive pricing, and dependable service.

Driven by professionalism and a deep understanding of the UAE healthcare market, we continuously strive to enhance patient care by supporting healthcare providers with products they can trust.

Al Itqan Medical Equipment — delivering quality, trust, and excellence in healthcare.
